

CardinalHealth™  
at-Home

# Your patients **depend on you.**

**You can rely on us for solutions to  
advance your business forward.**

Our expertise in medical supply management for home medical equipment businesses supports your mission to provide the best patient experience for your customers.

## How can we help you?

We invest in three key areas of our business to strategically support your success. Put our decades of problem solving to work for you.

### Products

True convenience is knowing you can easily manage all your patients' medical supply needs in one place. Access our extensive portfolio of quality products to meet the needs of your patients.

- **Cardinal Health™ brand** | Exceptional performance you can count on.
- **National brand** | Support your patients' needs across the care spectrum.

### Distribution

Peace of mind is knowing your patients' orders are delivered quickly and securely every time. Leverage our distribution network specializing in patient home delivery.

- **Virtual warehouse** | Leave the picking, packing & shipping to us.
- **Scale & network** | Distribution and reach for timely solutions to your customers in-the-home.
- **Ordering capabilities** | Secured website or EDI, choose what works best for you.

### Partnerships

Confidence is trusting your medical supply partner to deliver the right solutions to grow your business. Lean on our trusted team for consultative support to enhance patient experience while achieving your operational and financial goals.

- **Sales Account Consultant** | Gain personal & proactive support.
- **Insightful data analytics** | A tool to monitor your business' trends and patient activity.
- **Industry alliances** | Partnering with market leaders for better solutions for our customers.
